# THE BADGER

Dear Marcia,

Boy has this year been great! I have really had fun with you. Remember 2nd. history.

Remember the slumber parties and everything. They were great. Also the trips to Adamsville. Those supple are pretty wonderful. Remember all our talks about Edmund and Wayne and our livestock and pinfolks. Does sound pretty good doesn't it?

I have had such a good time with all our crowd and everybody. We're a pretty swell bunch aren't we!

I know we'll have lots of fun the next two years. Let's do a lot together so we'll have things to tell our kids. (Cousins) Ha. I can see us now with little brats hanging on to our skirts. Ha. Time will tell.

You and Wayne are really cute together. Hope you all stay together a long, long time. Both of you are really great people.

I hope you have everything you want in life because a sweet person like you deserves it. I have really had fun and enjoyed living around you this year.

We had fun at the drive in (Brave One - Muskie).

Lets have lots of fun in the future.

Stay as sweet as you are now & you will always have lots of friends. Me for one.

Love you lots,
Tommye Jean

Marcia Adams

Dear Marcia (my sister)

There are so many things I want to say and remember that I don't know where to start. We have done so many things together. I always remember "Port Aransas" and what fun we had. I guess the most fun we have had during the time I was going with Buster and we did all those things with you and Wayne. Remember the "Paynes" Parking Place and the taw I thought was a man that had me. And all the times I have helped you and Wayne patch up your so-called "quarrels"! Honestly you and Wayne make a darling couple but don't ever try to pull anything without telling me and I think you know what I mean. Those days stand out in my memories because we were together more and seemed like we had more fun. There are so many things like Y.F.L and all those times we decorated the school then spent the rest of the night keeping Mr. Fowler's football boys out of training ma da. Remember the night we whitewashed the square and how cold it was and how mad the Juniors and Seniors got at us for doing our little dance for those "boys" and wouldn't invite us to their stupid slumber party. Marcia, you have always been my best friend and always will be regardless of what you have been thinking the past week ha but you know why without me going into detail. I hope we will always be as close as we are now because you really are like a sister to me. Believe me when I say.

Love you forever,
Remember

Jeannine.

Received

Dear Marcia,

We are almost big juniors now and then we can rule the roost like the juniors do now.

I don't exactly know where to start but I've got to start some where so here I go.

We have had some wonderful times at the slumber parties and at every thing we have ever done together.

I sure is going to have fun when you, Tommye, Janice, Irma and I make our hoards at the big city of Adamsville along the creek.

Well, I got to close for now accept I want to wish you all the luck, love and happiness in the world.

Love ya,

Janice

Dear Marcia,

It has been a pleasure being with you in school and S. S. You are a real sweet and nice girl and I wish to you the best that could possibly happen. Keep your sweet personality.

always

Jackie Greer

Dear Marcia,

I haven't known you very long but you are a very sweet and cute girl. I'm really glad to be in S. S. with you.

May you have the best of luck.

Linda Pozniak

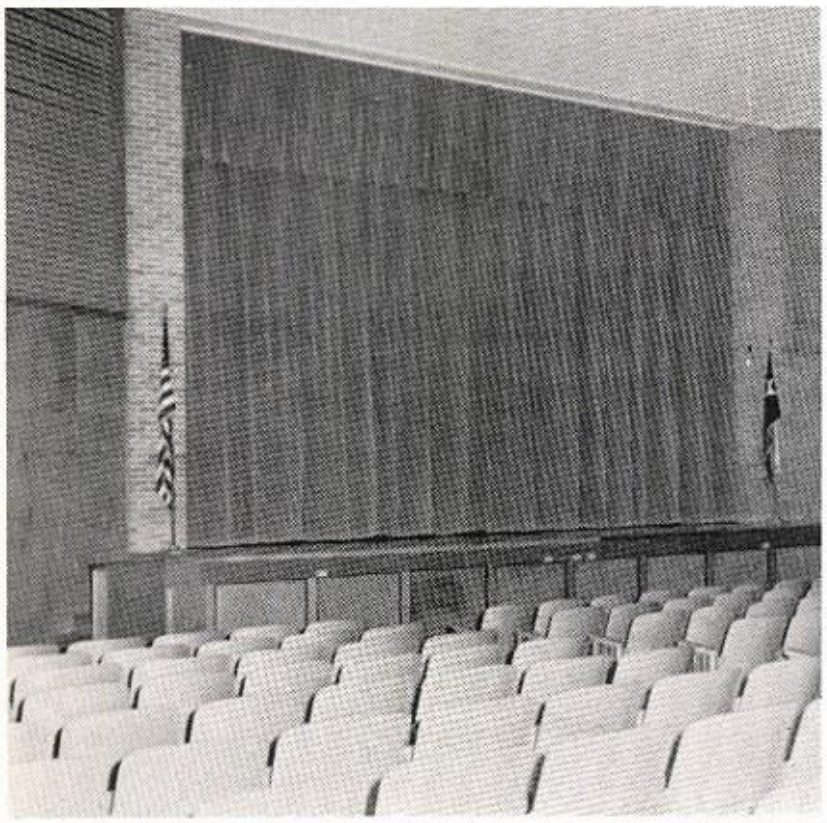
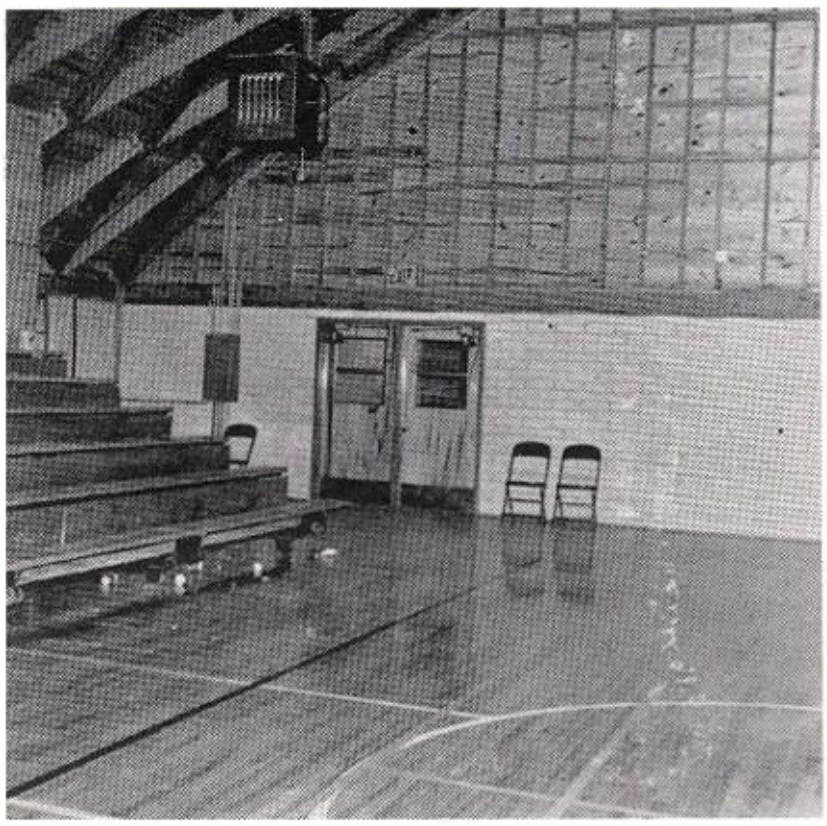
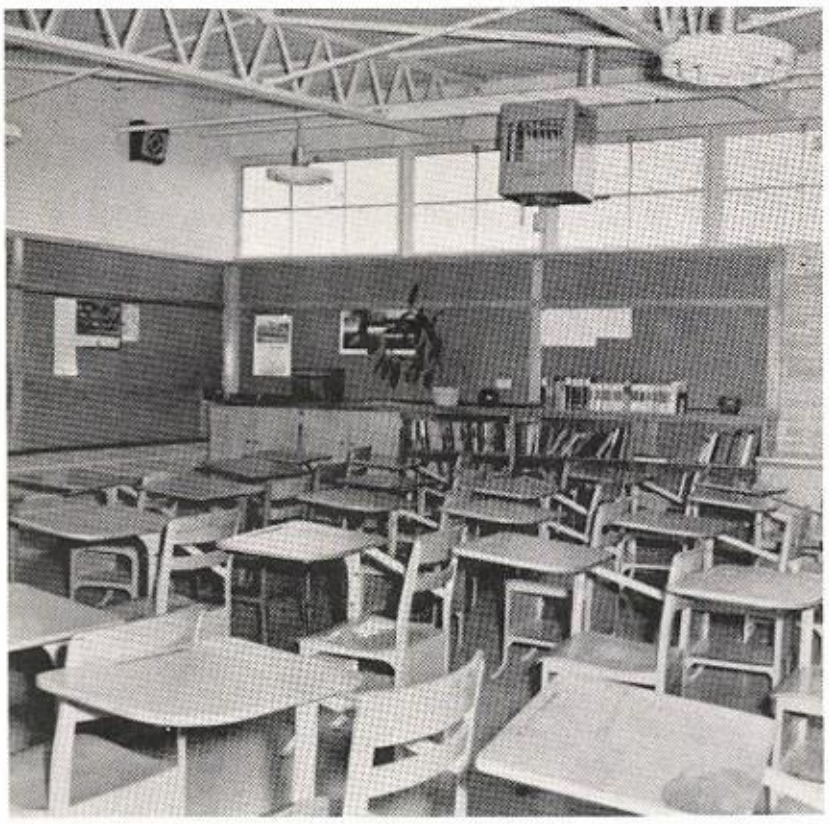
# OUR SCHOOL



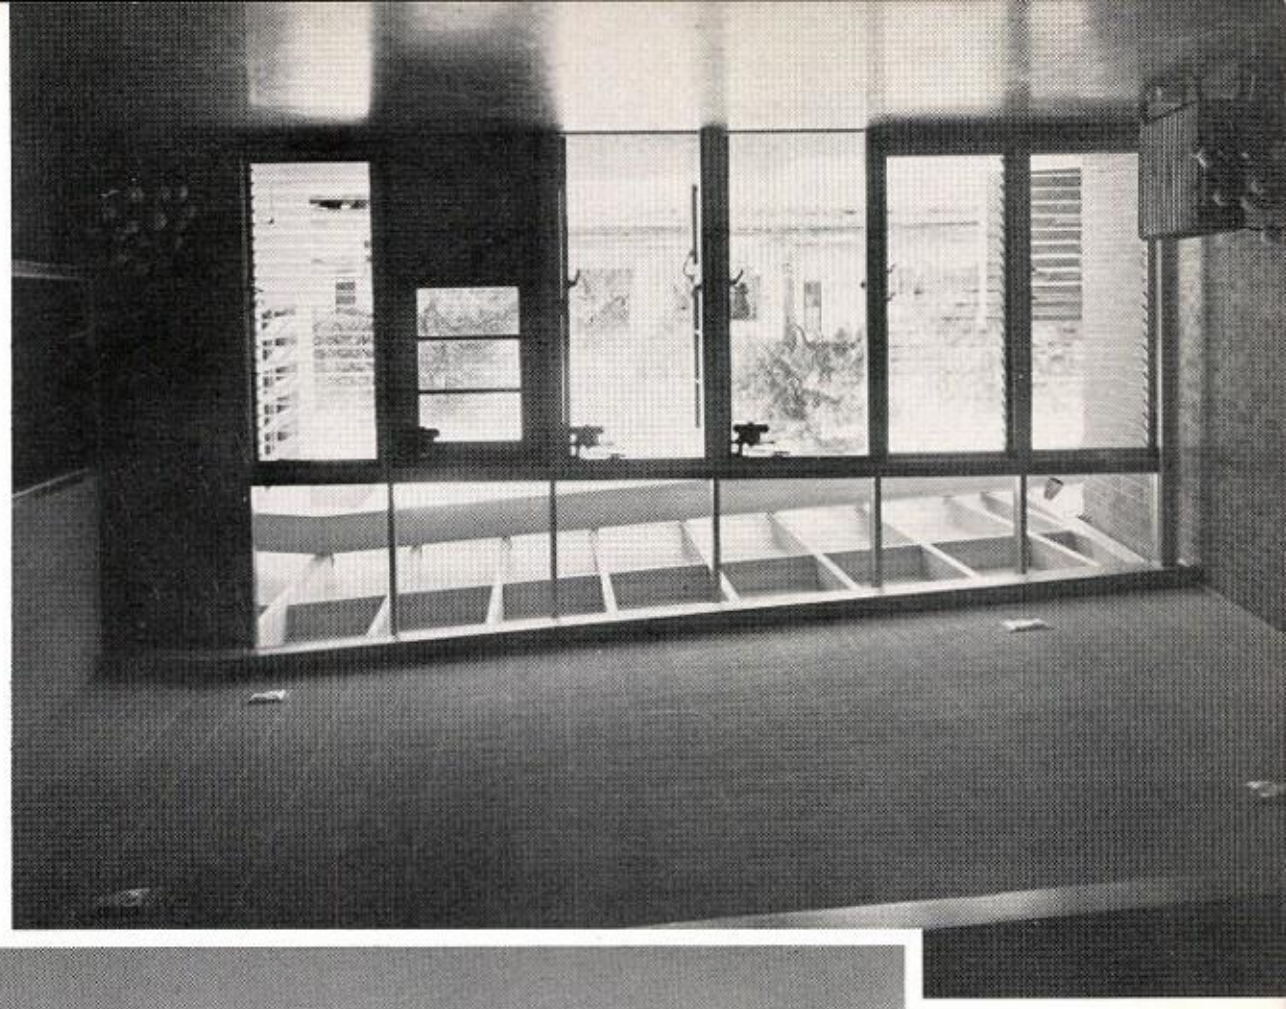
# IN ACTION

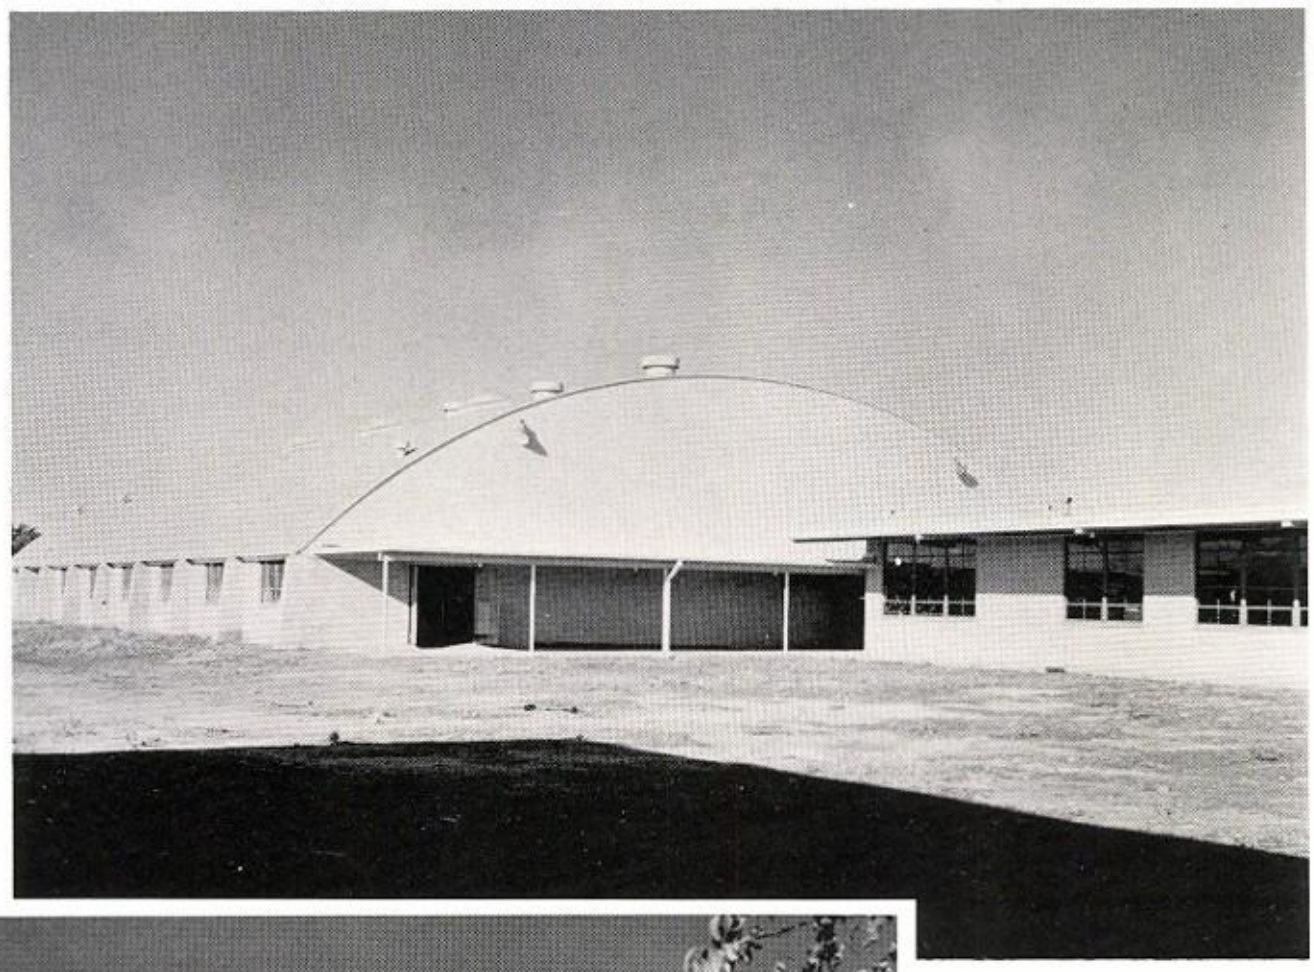




As our theme this year we have chosen "Our School in Action." In this, The 1957 Badger, you will see the students filling these empty rooms as they participate in schoolwork, sports, clubs, and social functions.

We hope these pages, filled with the various activities that are a part of Lampasas High, will remind you of your happy moments when you were a part of "Our School in Action."





# LUCILE NORRIS

To you, Mrs. Norris, because you have given your best to Lampasas High School and have played an important part in the development of our yearbook, we dedicate The 1957 Badger.

# CAMPUS CAPERS

You are about to take a journey with Li'l Badger as he goes through a few of the big Campus Capers which took place during the year 1956-57. Li'l Badger has very little space, so he can show you only a few of his activities. Li'l Badger hopes you will see yourself in his place in many of his capers, for they are taken from YOUR life in L.H.S. this year.

As Li'l Badger begins the school year, one of his first capers is having his picture made for the school annual. He laughs at the sight of some of the senior boys in white shirts, ties, suit coats,--and blue jeans! Everyone primps all day and looks forward to being called out of class during the day for the various club pictures...Li'l Badger looks forward with excitement to the annual Hayloft Party, for his girlfriend may be crowned Hayloft Queen. The Hayloft Party this year celebrates the centennial of Lampasas. The Hayloft Party offers western entertainment and attracts people from miles around. It is sponsored by the Kiwanis club, and its proceeds aid crippled children.

Li'l Badger "Catches the spirit" at the pep rallies before all the big sports events. He gets that good ol' Badger spirit from the cheerleaders, as they lead the yells and songs for the Badgers; the other students as they yell and clap in time to the music from the band; the faculty and townspeople as they cheer the Badgers on to victory with words of wisdom; and the band as it plays songs to cheer on the team.

Members of the annual staff sell a copy of the 1957 Badger to Li'l Badger and all of his friends. The annual is compiled by high school students and is a precious memory for everyone. The arrival of the annuals in the spring is a special event for everyone...Li'l Badger works hard in the campaign for Freedom Foundation Week, which is one of the big events of the year. Freedom Week is an effort to make Americans realize how fortunate they are to live in a free, democratic country. It is sponsored by the Hill Country Project in Economic Understanding, which is under the auspices of the Texas Bureau for Economic Understanding...Li'l Badger gets a sneak preview of what is to come when he sees several of the D. E. students decorate for their annual banquet. This banquet is for the D. E. students and their employers.

Li'l Badger is very pleased over the choice of Football Queen, Band Sweetheart, Maid of Paper, and F.H.A. King. The Football Queen and her attendant are chosen by the football team, and the Band Sweetheart and her attendant are chosen by a secret ballot of the band members. Both the Football Queen and Band Sweetheart receive a large bouquet and a big kiss on the football field before an important home game...A candidate for Maid of Paper is chosen by each of the four classes of L.H.S. Li'l Badger supports his favorite candidate by buying a subscription to THE BADGER, our high school paper. The Maid of Paper is crowned by the student council president...The F.H.A. King is chosen by a popular vote from the F.H.A. members. Four L.H.S. boys are nominated by an F.H.A. committee, and the F.H.A. King is chosen from these four boys. He is crowned by the F.H.A. president in a special F.H.A. assembly during F.H.A. Week.

Li'l Badger goes to the F.H.A. initiation ceremony, which is a special assembly for the entire student body. He sees each of the new F.H.A. members, both girls and boys, receive a small red and white ribbon pin. This ceremony gives Li'l Badger an opportunity to learn more of F.H.A. and its meaning...Members of THE BADGER staff work hard to meet their deadline. They are very proud of their scoop for this edition. THE BADGER is one of the outstanding high school newspapers in Texas...The National Honor Society initiation inspires Li'l Badger to work harder for leadership, character, truth, and scholarship. These traits are the basis for membership in N. H.S. Twenty-one lucky seniors receive the blue and white ribbons which indicate membership, in addition to the five who were taken in last spring when they were juniors...Li'l Badger gets a big laugh out of the senior play, "A Boy Named Beulah." He is glad to give his money to see the hilarious antics of the play, in addition to the knowledge that his money will help the seniors have fun on their one-day trip.

Li'l Badger wishes he could go to the annual school board dinner, one of the capers which is under supervision of the homemaking department. Li'l Badger wishes he were a school board member so that he could get in on the wonderful food... Li'l Badger goes to one of the big parties which occur during the year. These parties are sponsored by various clubs and students of L.H.S. Part of them are to raise money, and part of them are just to give everyone a chance to have a lot of fun... Another one of Li'l Badger's capers for the year is the Valentine Dance. The proceeds from this dance help the Junior Pierians give their spring formal later in the year. The dance is an informal one with "canned" music, but it gives everyone a chance to celebrate St. Valentine's Day in a big way.

We hope you have enjoyed your trip through this school year with Li'l Badger, for he has certainly enjoyed having you along. You have seen only a few of the Campus Capers for 1956-57 captured on these pages, but we think Li'l Badger and his good times will help you remember all the fun you have had this year. Don't you think the year has been a great one?!?

Hi there!
Well, here is old "Patsy" writing in your annual. We really have had fun together and a sad time too. Remember the time Mac picked me up at Margarets and you and Wayne had just broken up. Boy, you almost had me crying. Remember the time we had Butches car and you followed me out out at my house and you had to be at X.F.X. at 5:30 and we didn't leave town to go out my house at 5:00. Boy you were a nervous wreck.
I'd like to wish you the best of everything. Be sweet.
Lots of luck to a wonderful friend.
Love ya!
Pat

Dear Marcia,

I just can't think where to begin. I haven't seen you (you this as much as I would have liked to, between Wayne and not being in many of your classes. We have had lots of fun anyway.

I'll never forget our little trip one Sunny Sunday afternoon. I don't think your Daddy will ever. We have had lots of fun on our Sunday School trips too. Just as soon as I stop writting I think of a million things to say. I hope you have all the happines in the world and I think you will.

Oh! yes we do have on things in common don't we, but I think mine has faded out. I do hope you know what I'm talking about. I think you do.

Lots of Love,
Irma

Dear Marcia,

Well, school is almost out for this year. Just think – in a couple of days I'll be a senior and you'll be a junior. We are looking forward to a super banquet next year. I'm sure it will be. Marcia, I think you are just about the sweetest girl I have ever had the pleasure of knowing. You have a wonderful personality and will go a long way in this ole world if you remain the same sweet girl you are now. May God bless you in every way because you truly deserve it.

Always,
Linda F.

Dear Adams –

Here we are signing annuals again can ya believe it? We're almost Juniors now? I really luv

Reserved for Wayne

Dear Marcia,

Well looks likes our school days together are over for good. Marcia, I have really injoyed this past year more than any of the first three. The things that made so great were walking you to class ever day and eating lunch together and then taking you home after school. Marcia, we have done so many things together this past year to remember, but yet it went by so fast it hardly seem lutt just a month. These memories will stay with us the rest of our lives. I can think of no other memories that I had rather think of than the one we have made together. Marcia, the best thing we have to think of is that we don't just have to think of the one we have made in the past but think of the one we are to make yet in the future. Marcia, you are the most wonderful and the best understanding person I have ever know and hope to know

With all my love — Wayne

Dear Marcia
Well, here we are signing annuals again. It won't be long 'til we'll be juniors. I can't wait! We've really had a lot of fun together at slumber parties, little trips!.. double dating, and drive inns. Remember.. "Thanksgiving Day"!.. Kidleen? Fun! We'll always keep such good friends and I hope our friendship continues. I'm so glad we got in S.D. We'll really have a lot of fun. Lets really do alot of things this summer and make it one summer to remember. Let's "live it up" and don't let them forget the "Sish of 56" and "Soph. of 55"!!
to a really wonderful girl
Love and luck

Best of luck.

Dear Marcia,
I guess you'll always remember that night you had a date with Wayne and I was with Dan. That was your first date with him wasn't it. I can't believe that it's been that long can you?
Remember that day at Pat's and we went wading - just like that day you, Jeannine, and I ~~went swimming~~ out at my house. We've had our fun haven't we - and I hope we'll have more such fun.
Love, Sue
